Guest Moorage Regulations

1. Vessels entering the marina shall register and pay fees if mooring over four hours or overnight.
2. Guest moorage check-in time is 3 PM, check-out time is 1 PM.
3. Any vessel owner/operator that fails to register and pay fees upon arrival is subject to impoundment per RCW 79.100.030 and a \$150.00 impound fee.
4. Vessels/owners indebted to the Port of Olympia may be impounded immediately.
5. Vessels without proper identification may be denied moorage.
6. Moorage on the guest dock is limited to 29 days in a 12-month period.
7. Speed limit for vessels in the harbor is dead slow or wakeless, whichever is slower.
Please note the no-wake zone that extends a mile beyond the marina exit.
8. Owner/operator agrees to keep the area around their vessel neat, clean and orderly.
Garbage containers are located on shore.
9. Shore power cords are required to be marine grade and need to be safely secured and out of the water.
10. Discharge of sewage into harbor waters is prohibited.
Pump out-facilities are available at the fuel dock, as well as a Porta-Potty Dump Station.
Please use shore side facilities whenever possible and contact the marina office in case you need a code to access bathroom facilities after hours.
11. All pets must be kept on leash at all times, and owner is responsible for cleanup of animal waste.
Do not leave pets unattended. Pets are not allowed in shower or restroom facilities.
12. Barbequing is not permitted on the docks.
13. Fireworks are prohibited on Port property.
14. Fishing, crabbing, and swimming from all docks and floats is prohibited.
15. Riding of bicycles, motorcycles, skateboards, and rollerblades is prohibited on all docks and floats.
16. Please do not feed the gulls or other wildlife.
17. Anchoring in the harbor is prohibited.
18. Quiet Time: Apart from entering or leaving the Marina, the main engine of a vessel or its power generating equipment shall not be operated between 9 PM and 8 AM. Noise shall be kept at a minimum during these hours.
19. Environmental regulations prohibit washing the exterior of vessels with detergents, including, but not limited to, in-water hull cleaning.
